

Accomodate/Communicate changes in the features

1)Name the coloured dots which are meetings or ceremonies in the sprint?

Answer:-

Green Dot: Sprint Planning

Gray Dots: Daily Standup Meetings

Blue Dot: Sprint Review

Sprint Planning

Sprint Planning is a crucial meeting at the beginning of each sprint where the entire Scrum team collaborates to define the work to be completed during the sprint. It is held to determine the sprint goal and select the backlog items (user stories) that will be worked on during the sprint.

Daily Standup Meetings

Daily Standups, also known as Daily Scrums, are short, time-boxed meetings held every day during the sprint. To manage the activities and create a plan for the next 24 hours. It is held for typically 15 minutes or less, ensuring the meeting remains brief and focused.

Sprint Review

The Sprint Review is held at the end of each sprint to inspect the increment and adapt the product backlog if needed. The main aim is to showcase the work completed during the sprint to stakeholders and receive feedback.
